

Signature Mosaic

At Ennea Roof Bar, we create our own mosaic with six lucky gemstones. Each cocktail is inspired by one of these stones, offering our guests a unique experience filled with positive energy.

When the stones are placed together in the mosaic, they form a magical composition that brings happiness and prosperity to all who see it. Our guests can enjoy cocktails inspired by these gemstones, feeling the positive energies surrounding them and filling them with joy. The mosaic is completed by the stunning view of the city, with the illuminated buildings adding to the enchanting atmosphere.
